Subject: RE: Population served by water utility

The WI dept of administration estimates our 1/1/09 population to be 39,300, we estimate there are 27,626 served by the water utility. Ralph

Subject: Population served by water utility

Ralph,

According to the 2000 census, the population of New Berlin is 38,220. How many (or what percent) would you say are in the area of the city served by the water utility?

Thanks!
